

# Percent of Market Rate Multifamily Rentals Affordable to Those Below 50% of Median Income\* as of March 1998

**\*Approximately 21% of King County households earn less than 50% of median income, according to the 1990 census. To meet demand, a jurisdiction would need to have at least 21% of its rentals affordable to those under 50% of median income.**

**In 1998, a three person household under 50% of median income could afford less than \$664 in rent.**
